How To Answer Every Letter

Santa Claus Mail Box To Be Ready For Kiddies This Saturday

Know the special mail box for Santa Claus will be up and ready for your letters this Saturday. And every letter will be answered by Santa who will deliver a ticket which you fill out and post in a downtown Santa Claus Mail Box. The ticket will win you a special free gift. Santa will hold a drawing on December 21st to determine who the lucky child will be.

The mail box will be fastened to the light post in front of the Grayling State Bank on Michigan Avenue. Every letter mailed in the box will go to Santa who will deliver each child back an answer.

The mail box is the first in a series of special events planned for the Christmas season in Grayling by the Grayling Business and Professional Men's Association.

On Friday, November 22, it is planned to have all of the Christmas decorations up and lighted.

Santa Claus will arrive in Grayling and will be on the streets very Saturday from then on handing out tickets for a chance to win a free gift to all kiddies under the age of 16.

The weekend of Friday and Saturday, November 29 and 30, the merchants of Grayling will celebrate their second annual Santa Claus Bargain Days which will give the shoppers a chance to pick up Christmas gifts at really bargain prices.

On Saturday, December 7, the Grayling Merchants will celebrate their annual Christmas Eve. The day will be a day of shopping. The merchants of Grayling will carry a coupon for a number of items which will appear a number of times.

Hunters Invade Northland Friday

To Wind Up Grid Season Vikings At Gaylord Wednesday Night In Final Makeup Contest

The Grayling High Vikings were to meet the Gaylord Blue Devils at Gaylord this Wednesday night in a football contest which will make up for the game cancelled on October 16th due to the flu epidemic. The game will also mark the final gridiron action of the season for both teams.

The Blue Devils have shown steady improvement throughout the season and are odds on favorites to take this final contest. Two other conference games Wednesday night will find East Jordan at Manelona and Boyne City at Charlevoix. Both of these games are make up dates for games cancelled the same night as the Grayling-Gaylord clash.

A rash of injuries last Friday night coupled with snow brought out the game. A shoulder block into the efforts of the Grayling Vikings to get a victory. After the start of the second half, Grayling was forced to use two tackles, an end and a freshman back in the backfield due to injuries to Richard Moore, Roger Hatfield and Russ Ballenger.

Motel, Resort Group Plan Next Meeting

The Crawford County motel, hotel, resort and restaurant association will meet at the Crawford County Chamber of Commerce plan their next meeting for about December 4. It is planned to have a talk on the subject of paying and handling by representatives of wholesale grocery concerns.

The first meeting was held on Monday, November 11, at the Grayling township hall with nearly 20 in attendance. The program presented by Ben Porter, Crawford County Chamber of Commerce agent was on pest control.

Mr. Porter covered not only insects but moles, mice, rats and house-inhabiting squirrels. He told the group of various types of sprays, poisons and other methods of controlling insects in motels, hotels, restaurants and resorts.

Sale Of Store Building In Shopping Center Told

The sale of the store building next to the B and C Supermarket in the Uptown Shopping Center on US-27 in Grayling was consummated last week, it was revealed by J. H. Richardson, former owner of the building.

The new owner is E. E. Herndon who maintains a home at Bear Lake as well as in Detroit and Florida. Mr. Herndon's plans for the building were incomplete at this time.

Two Injured In M-72 Mishap Monday

Two M-72 women suffered minor injuries when their car left the highway and struck a tree near here Monday. The accident occurred about 1:45 p. m. on M-72, two miles east of Grayling.

The car skidded on the slippery highway, left the right of way and struck a tree. The driver, Esther Marie Gonnell, 18, suffered knee, chest and head injuries. The passenger, Melba Aida Gonnell, 19, suffered leg injuries as well as injury to her right shoulder. They were brought in to Mercy Hospital. The accident was investigated by Sheriff John A. Papendick.

"Open House" Honors Mrs. John Knecht

On November 27, Mrs. John Knecht presided at an "Open House" at the Grange Hall for friends and relatives in celebration of her 80th birthday. The refreshment table was centered by a lovely birthday cake made by Mrs. Norval Stephan. Yellow tapers in crystal candelabra and yellow mums carried out the color scheme. Mrs. Knecht received many cards from nieces, nephews and grandchildren who were unable to attend, as well as lovely flowers, gifts and cards from those present. Co-hostesses were her daughters-in-law, Mrs. Norval Stephan, Mrs. Eureka Stephan and her daughter, Mrs. Earl Mathewson. The punch was made and served by her granddaughter, Mrs. Bernard Fowler.

JACK PINE'S STUMP

What with the opening of deer season Friday, it well behooves this writer to pass some comment on his favorite hunting sport. Only this year, it isn't quite the favorite sport it has been in years past. For two reasons. First, there is much on the Jack Pine agenda that should have been done before the snow started to fly. Things which will have to wait now. And secondly, bow and arrow hunting, I thought throughout all the years that hunting with a rifle was the absolute epitome of all that is sporting and fun. But this year I found out that it just isn't so. Hunting with a bow is infinitely more fun, more of a challenge, and requiring much more skill. I didn't possess the necessary skill to do this. I was a bow hunter the last few days of the season, after I learned how to shoot the darned thing. But I will say one thing for sure: from now on, I am not confined to bow and arrow hunting, and will hunt the rifle season (with a rifle) only if the bow hunting is unsuccessful.

Thus, I expect that come dawn on Friday I will be sitting under some tree, shivering and shaking, anticipating both daylight and the deer, along with several thousand other hunters. I have no advice to offer any hunters this year, and only a couple of observations. Personally, I think there are more deer than last year. First observation: deer are scarce. Last year a man was telling me about such things as bathing before going hunting. Talked about "completely de-scenting" himself. I thought that was a best fact to me. Just for a deer, and I paid it little mind until the same idea came from a magazine article. "Before going hunting," the article read, "take a shower and bathe with a handful of baking soda thrown in the tub. This will destroy the human body odor that wild animals pick up in the wind, and you'll find that you get closer to your deer than ever before." The writer also suggests that it is unwise to wear an old sweat-soaked hat or cap, and that the clothing should be clean and dry. I don't know if that's true or not, but I'll try it. "Most animals smell you long before they see you," I pass this information on with the full knowledge that I am not a hunter, and might do some good for those hunters who feel that the more rugged they can be in the woods, the more they are "roughing it." I don't know if that's true or not, but I'll try it. U-M Professor Keynote Speaker At Local Meet

John V. Field, University of Michigan associate professor of journalism, gave the keynote address at 9:30 p. m. Saturday, Nov. 16, at the Michigan Intercollegiate Press Association (MIPA) regional meeting.

Publications advisors from 78 schools in the northern half of the lower peninsula were invited to the conference. Professor Field, who is director of MIPA, spoke on "Mary S. Loves Johnny" in discussing personal news in the school newspaper.

Session of the one-day conference consisted of the following discussion groups: "Writing to Capture Readers," Mattie Crump, publications advisor of Grayling High School; "Mimeographed News-papers," James Jessup, Wisner Elementary School, Pontiac; "Improving Newsbooks," Robert Gray, Jr., editor of the Grayling News, chairman of English studies in the Ann Arbor public school system; "Better Pictures and Layouts," Lawrence Bird, South High School, Grand Rapids; and "Editor Problems," by Professor Field.

Arrangements for the conference were made by Mrs. Evelyn E. Klein, publications advisor of Grayling High School. Due to the stormy conditions and bad driving conditions only four students from Charlevoix were in attendance from out of the area. The conference was held with the afternoon meeting cancelled to give the out of town people more time in which to return home.

The cries of anguish are being heard again about the unfairness of the deer hunting doe permits, and how persons are being discriminated against. Well, for the deer hunter, it isn't a deer that gets one, and if there is anyone the Conservation Department wouldn't issue one to, it is this writer. But I don't feel as though any deer hunter is going to wade through thousands and thousands of requests just to find mine and stamp it "sorry." No, I think the drawing is fair. Anyway, my wife got a good hunt, and I can't say that.

Devere Dawson of Dawson's is handling the Advent cards again this year. Advent cards, as readers will remember from last year's writings, are magnificent decorated cards of the Christmas (and Christian) season, with little gold, silver, or copper one-cent coins, from the first of December until Christmas. Great gifts for kids... serving to keep the true meaning of Christmas in mind. In this year's advent cards, Grayling set some sort of record last year when these Advent cards. The Hallmark people, manufacturers of the cards, reported that a million of these cards were sold more of these cards than ANY OTHER STORE IN THE ENTIRE UNITED STATES! They even sent a man up here to investigate. And that good news is something. Let's see if we can do it again this year.

Have had several comments concerning last week's bit concerning Halloween and the damage in neighboring communities. Let Jack Pine make it quite clear: "I don't think it's a good idea to go to the 'pits' definitely did not refer to Fredrick."

Sunday evening at the Michigan Memorial Church Dr. Orville McKay of the First Methodist Church of Midland gave an illustrated lecture on his trip through southeast Africa.

Carnival Plans Being Worked On Grayling Winter Sports Park In Tip Top Condition Now

The Grayling Winter Sports Park is in tip top condition, reports Bill Joseph, president of winter sports for this season. All that is needed is to string the rope tows, tie the toboggan sleds and flood the skating rink, he explained.

The ski slopes have all been newly graded and a small ski jump has been built for children's use. New lights on all ski slopes have been installed and the ski lodge finished inside. The building at the park on the slopes and building up of the small ski jump was donated by Art and Gary Parkinson.

New safeties have been installed on the ski tows and the tow lengthened. A new rope stretcher has been installed which will make the rope tows much tighter and keep the lower strand from dragging on the ground. The wheels and axles on the tows have been newly painted as have the motor blocks which hold the tow lifting power machines.

Don Feldhausen is park manager this year and will be assisted by Jim Wakeley and Bob Carlson. The Harold Clements will again handle the food concession. Stu Atwell has again been signed as ski instructor.

Leonard Knibbs, proprietor of Knibbs Service Station on US-27, was named Monday night by the Grayling City Council to fill out the unexpired term of Councilman Wilbert Simpson who resigned.

Simpson resigned his post when he was selected as new superintendent of state highway maintenance in Mackinac County. Mr. and Mrs. Leo Lovely, who live in his home in St. Ignace and who no person may serve on a municipal council and hold a state post, he tendered his resignation about ten days ago.

Kiwanis Club Notes

Dr. Ross McLennan of Lansing, representing the Michigan Temperance Foundation, was the speaker at Monday night's meeting of the Kiwanis Club of Grayling. The meeting was held at the Shoppensons Inn. He was introduced by Lorne Douglas who was in charge of the program.

Dr. McLennan took as his topic the use of the beverage alcohol. On Sunday morning at the 11 o'clock services, he spoke at Michigan Memorial Church and at Calvary Baptist Church at 7:30 in the evening. On Monday Dr. McLennan addressed school groups in Grayling, Frederica, Roscommon and Houghton Lake. On Monday evening at 8 o'clock he met and spoke with ministers from the three county area: Crawford, Oscoda and Roscommon at Michelson Memorial. He was the guest of Rev. and Mrs. R. C. Larson on Sunday and Monday.

Kiwanis will be William Jeffries of the Alpena office of the State Highway Department. Mr. Jeffries will speak on the new highway program. Many fine exhibits will be set up in the lobby for inspection prior and following the meeting. The program is being arranged by Roy Trudgion.

In the 9th grade Oliver Angemyer, son of Mr. and Mrs. Charles Angemyer of Rt. 1, Roscommon, transferred from Allegan; Susan Luckstedt, a transfer from Van Dyke, daughter of Mr. and Mrs. Leon Luckstedt; Jacqueline Norenberg, daughter of Mr. and Mrs. Ernest Norenberg of Hilltop Cabins, formerly in Detroit; and Dyke, daughter of Mr. and Mrs. Joseph in Bay City, daughter of Mrs. Betty LaChapelle. Mike Goodrich, son of Art Goodrich from Muskegon.

Senior Play Practice Now Underway

The seniors' play books have arrived and the characters have been chosen. They are the following: Karen Carlson, Larry Andrews, Marjorie Wolff, Connie Davis, Paul Johnson, Ronnie Kelly, Roger Nelson, Russell Ballenger, Vivian Penton, Judy Larson, Judy Kenyon and Priscilla Hull. Connie Millikin will be working on make-up, and Susan Bidvia, Emory Bebow and Christine Crawford will be promoters. Mrs. Evelyn Klein is our director.

Play try-outs were held on Tuesday, November 5, and we have had practices on Thursday, November 7 and Monday, November 11. The name of our play is "Grandpa Goes Wild." It is to be held on Friday, November 22, at 8 p. m., in the High School gym. The play itself is a three-act comedy. We are charging 60c for adults and 25c for children. We hope to see everyone there, as we are sure it will be an evening of enjoyment.

Expect Slightly Higher Success

The 1957 deer hunting season gets underway on Friday and experts of the Conservation Department see a higher kill from a slightly increased herd.

About 430,000 hunters are expected after Friday which is the normal number to usually open the season. Last year about 215,000 hunted in the northern lower peninsula with 200,000 opening the season in the upper and remainder hunted in the southern part of the state. Just what the new Mackinac bridge will do in the distribution of hunters this year is anybody's guess.

Weather is always a factor in the successful opening of the season. In 1955, early season blizzards upset a lot of hunting plans and resulted in lower than normal season success. Last year in this area heavy rains on opening day followed by snow the second day cut into the hunters percentage of take.

With a good ground cover of snow and, given a clear sky on Friday, hunters should bring in a large number of bucks.

The Department also is pointing for the taking of upwards of 18,000 extra deer in special areas by permit only during the regular season. There will also be a special "antlerless or any deer" season on December 1 and 2 in special areas by permit only.

Knibbs Named As New City Councilman

Leonard Knibbs, proprietor of Knibbs Service Station on US-27, was named Monday night by the Grayling City Council to fill out the unexpired term of Councilman Wilbert Simpson who resigned.

Simpson resigned his post when he was selected as new superintendent of state highway maintenance in Mackinac County. Mr. and Mrs. Leo Lovely, who live in his home in St. Ignace and who no person may serve on a municipal council and hold a state post, he tendered his resignation about ten days ago.

Mr. Knibbs, an Air Force officer, is married and the father of four children. He is a life long resident of Grayling and has only been away while at college and in the service.

Farmers Meet With Agriculture Board, Gov. To Set 1958 Plans

1958's STATE AG PROGRAM was formulated when representatives of most of Michigan's farm industries met with members of the Agriculture Commission to-

discuss the issues, and later the same day with Gov. G. Mennen Williams to present their ideas.

Greatest need, according to the group, seems to be for a law which will provide for a session for nine years. The need for a method of grading and identifying top Michigan grades. This has been known as "Seal of Quality" bill or "Michigan's Best."

Farm representatives were unanimous in their support of the idea, and a little frustrated that its provisions have not become law long ago. They seemed to think that the bill failed in other years for lack of lively support rather than active opposition. Person after person stated that they believe the seal of quality idea and almost solid if demonstrated, backing in their particular branch of agriculture. All joined in the hope that the bill can be passed this year without becoming involved in partisan politics.

Other important proposals include a law granting subpoena powers to the Director of Agriculture. At present a hearing can be called to investigate charges of dishonest or irregular practices and witnesses cannot be ordered to appear.

In several recent instances, the key witness in a case decided against testing the bill and the whole issue had to be dropped. Commercial sprayers would be brought under control by terms of another proposal. At present the Department of Agriculture cannot regulate those who hire spread, weed killer, insecticide or pesticide.

Other recommendations concern weights and measures, licensing, improving, cutting of Christmas trees, labeling and slaughter houses.

UNIVERSITIES and Colleges are feeling the onslaught of a new flood of students. The expanding population and the demands that it be educated.

The problem of money and space for higher education to cover the demands will be top priority in the 1958 legislature.

Nobody is certain how many millions will be sought this year, but leading legislators who understand the situation believe the need will make a real problem. Educators have been asked to present a united front to the legislature and Gov. Williams with its new organization of state university and college presidents and governing board members.

This group was organized after Williams asked them to come up with a total plan for higher education in Michigan.

The Legislature has been studying the same subject for three years.

Another legislative plan has been to "decentralize" higher education, providing two-year colleges at the local level — along the lines of the present community and junior colleges — and making the present four-year colleges into advanced study centers.

Michigan State University, governed by the state Board of Agriculture, was forced last fall to limit its enrollment to 22,500 because of overcrowding.

The University of Michigan stated that without more facilities and personnel it cannot do the kind of educational job it would like in the future.

National figures repeat the charge that the United States is turning out engineers and scientists at a rate slower than Russia. They said Russia's earth satellite was the result.

The situation revived the plan of Dr. Harlan H. Hatcher, president of the University of Michigan, some years ago that the nation should develop a pool of brainpower — much like the armed services.

This group would be the warriors in the field of science and technology.

Two new ideas have been proposed by Rep. William I. Bowerman (D-Grand Haven).

First, he suggests that students pay a greater share of their educational costs on a time-payment plan — reimbursing the state after graduation when their careers are underway.

When first proposed, the idea started a storm of protest from students and their parents.

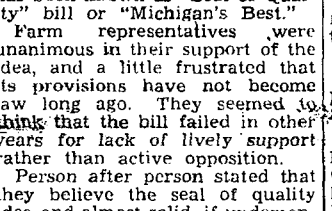

Secondly, Bowerman suggested a free college education for the first two years. Students would stay at home and attend classes in their high schools, expand to include the freshman and sophomore years.

Classes would be conducted between 4 p. m. and 9 p. m. and during the summers.

He based the idea on a report which showed that 40 per cent of the freshmen enrolling in college fail to start their third years.

SEN. POTTER REPORTS

From Washington

BURSTING ITS SEAMS. Detroit's Masonic Temple held 3000 exuberant Republicans last night. They showed up to eat fried chicken, talk turkey about party finance, and to remind me that I'm 41 years old. It was the biggest, best, most heartwarming birthday party a man could have. Greeting cards, telegrams and letters poured in, highlighted by messages from the President and Vice President.

November 4, 1957
OUR NEW TREASURY BOSS, Robert B. Anderson, flew from Washington to deliver the main address, his first major speech since entering the President's Cabinet. The tall rangy Texan, with an outstanding business background, gave Michigan and the Nation his views on budget and defense.

"Fiscal defense," he said, "is not measured alone by billions of dollars, but by the ever watchful

and constantly improved use of money, materials and men."

FLATTERING testimonial speeches peppered the party, describing my work on the Appropriations Committee, the Interstate and Foreign Commerce Committee, and as President Eisenhower's appointee on the Battle Monument's Commission. To me those speeches meant much more than pats on the back. They will serve as standards throughout my service in the Senate.

I often think that the principles of Democracy are nowhere more valid than in my own life story, that of a humble farm boy from Lapeer County who rose to a seat in the highest deliberative body in the land.

No wonder the people of the

world look for inspiration to a nation where this is possible.

LASZLO SPANKY, a young Hungarian refugee from the Soviet terror, now studying under an art scholarship at Cranbrook Academy, came to the birthday party with a contingent of my good Hungarian friends. They brought a bronze sculptured head of Charles Potter, a work of art which I shall always cherish, done by the talented Spanky. The presentation was keynoted by Dwight Hamorsky, Detroit Housing Director and a leader in the Hungarian Community.

THEN THE CLIMAX! A mammoth multi-layer birthday cake, scalloped with whipped cream, decorated with witches, goblins, pumpkins and what appeared to

be a few spunkies, was rolled in on a wagon. I have cake, but it seemed selfish to eat fifty pounds of it alone. Next day Mr. Potter and I presented the giant goodie Children's Hospital. The young places where children are born, where they grow up, where they nibbled

work.

Best wish: **CHARLES E. POTTER** United States Senator

Saucy and Seductive

By JIM BOURRIE

"CORN HUSKING BEE"

Not long ago, the first frost was the signal for a corn husking bee. This, like the quilling and spelling bee, was a cooperative work and fun time for rural America.

Whole families came to husk and frolic. Flying fingers ripped off dried husks and everyone watched for the first red ear. Whoever found it became King or Queen for the day. Each red ear then found an entitled the finder to kiss the boy or girl of his choice.

After the husking, a corn dinner was served. Fresh corn, broiled or roasted with new

The feast was generally followed by an old fashioned barn dance with its fiddler and caller.

You may never go to a "Husking Bee" but you can meet your friends while shopping at our store. Stop around this week and look us over.

Just a reminder... Thanksgiving is just about here. We'd like to make sure you get the finest fowl for your table. Why not have the meat department reserve a choice tender bird for you. We have the best and the price will be right.

Next week, we'll talk about the "Stuck-up" Apple.

Cadillac
PROUDLY PRESENTS FOR 1958
MOTORDOM'S MASTERPIECE!

An entirely new Cadillac classic in styling, luxury and performance!

Seldom in Cadillac history has there been an announcement as significant as the message you are now reading.

For this is the announcement that introduces the finest motor car ever to bear the celebrated Cadillac name.

Certainly, one glance at its extraordinary grace and symmetry will tell you instantly that it is motordom's masterpiece in styling.

Its new sweep and stature, its remarkable new rear fender design, its dazzling new grille and four-headlamp system, and its tasteful use of chrome and color... all mark it as a singularly beautiful and majestic creation.

Surely, one look at its new Fleetwood coachcrafting will convince you that this is motordom's masterpiece in luxury.

There are exciting new fabrics and leathers... wondrous new beauty of appointments... and a whole host of new passenger conveniences.

And, unquestionably, a single journey behind the wheel will reveal why this is motordom's masterpiece in performance. There is a spectacular new high-performance engine... an even smoother, more responsive transmission... and, as an option at extra cost, the marvel of Cadillac air suspension. It's all new — it's all wonderful — and it's all waiting for you today in our showroom. We urge you to see and drive the 1958 Cadillac soon.

Parkinson's Law . . .

A distinguished British historian, C. Northcote Parkinson, has published a book of essays entitled "Parkinson's Law". It is a gently humorous and ironic work, dealing largely with human foibles. And, it tells certain truths in a highly unusual way.

For instance, according to Parkinson's Law, bureaucracy grows in mathematical proportion to the reduction of the duties it performs. In other words, the less work there is to do, the more people it takes to do it.

That you may say, is absurd. But you'd be wrong. The Wall Street Journal, in a little editorial on Parkinson's Law, observes: "It is hard to imagine a better application of this ancient principle than the case of the International Cooperation Administration, the bureau which dispenses foreign aid. Its spending has been cut almost fifty per cent since 1953 during which time the number of its employees has almost doubled."

The ICA, of course, is not the only offender. Washington abounds in bureaus whose usefulness has largely come to an end—but which keep right on doing business at the same old stand with the same number or a larger number of happy, tax-supported bureaucrats. The same thing is true of state capitals. And here is one important reason why government costs us all so much, and needlessly so.

A Healthy Shock . . .

Americans have lived like children in Paradise for a long time. They have been surrounded by the "good life". Still not satisfied they have besieged government in massive pressure groups for special benefits and privileges. Inflation has been destroying the only common measure for material value we have—the dollar. In the case of Federal military authority is being used over the opposition of state and local agencies, to enforce federal court orders by sheer might. Our people, by their abuses and lack of restraint, are threatening this

They needed a healthy shock, and they have it in the Russian "Moon" which circled the earth at 18,000 miles an hour.

Senator Bridges, in commenting on the Russian rocket achievement, aptly called for "an immediate revision of National psychology."

"The time has clearly come to be less concerned with the depth of the pile on the new broadloom rug or the height of the tail fin on the new car and to be more prepared to shed blood, sweat and tears if this country and the free world are to survive."

Your \$2,400 Tax Bill . . .

Are you interested in startling facts? Here's one produced by a recent study: Last year taxes—levied by the federal, state and local governments—looked an average of \$2,400 from each of America's 42 million families. Part of this was paid directly and part of it indirectly. Either way, it came out of our pockets and left us poorer.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

November 15, 1934

A good attendance was had at the hunters' banquet sponsored by the Winter Sports Association at Shoppensons Inn Wednesday evening. After a delightful dinner, a few impromptu talks were given and these were followed by moving pictures of Grayling winter sports carnivals, canoe carnival and outdoor Michigan views. Dr. C. R. Keyport, president of the association, welcomed the visitors and gave a brief recap of the plans of the association. He emphasized the idea of making winter sports a full winter time activity instead of a couple of days of carnival. T. F. Marston, secretary of the E. M. T. A. was present, and endorsed the activities of the Grayling people and commended their hospitality and friendliness.

At a County Achievement Day held at Gaylord recently, the work accomplished by the Maple Forest 4-H Club was praised by A. G. Kettunen, State Club leader from Michigan State College. The Maple Forest 4-H Club is the first summer club to complete its project work in Crawford County and the quality of the exhibits made by this club would be a credit to boys and girls who have spent several years in club work. This statement was made after reviewing the exhibits of 90 4-Hers from Crawford, Montmorency and Otsego counties. The exhibit was made up of canned goods by Emma Jean Owen and Mary Hummel and potatoes selected by Morris Babbitt, Harold Babbitt, Keith Babbitt and Charles Owen, Jr. In the open competition between all first year canning club girls in the three counties, Mary Hummel

placed fourth and Emma Jean Owen received honorable mention. The boys added to the good record of the girls by their fine exhibits of potatoes. Morris Babbitt captured the third place honors in the open competition in first year potato work, while fourth place went to his brother, Harold. Charles Owen, Jr. and Keith Babbitt received honorable mention in the same class.

Mr. and Mrs. Elzie Cody of Midland spent Sunday visiting the latter's sister, Mrs. Louis Kessler and sister-in-law Mrs. Thomas Cassidy.

There are few things more tantalizing to a man than to go home with something on his mind he wants to scold about, and find company there, and be obliged to act agreeably.

Misses Fern Armstrong, Ona Lozon, and Mrs. Calvin Church and brother Wayne Carpenter spent Sunday in Bay City. On their return they were accompanied by Mrs. Mollie Bosworth who had been spending a few days there.

Mr. and Mrs. Ned Steepe and son Bobbie of Roscommon were callers at the home of Henry Jordan and family Sunday and they with the latter visited Mr. and Mrs. Chester Lozon in Maple Forest.

Mr. and Mrs. Arthur VanNatter of Vanderbilt were callers at the home of N. VanNatter here Tuesday.

Mrs. Roy Barber and son Curtis left Tuesday evening for Bay City where they will make their home. Mr. Barber left the latter part of last week.

Mr. and Mrs. Walter Woodson and daughter Grace Matilda and Mrs. H. A. Bauman left this morning for Salisbury N. C. Mrs.

Woodson, who came for her annual summer's visit, was detained here owing to illness. However she is getting along nicely.

Among those who have reported having filled their deer licenses this morning are Byron Randolph, who bagged a nice 8-pointer at about 8:30, and Frank Wetman, owner of several theatre houses in Detroit, who is a frequent visitor here during both the hunting and fishing seasons.

On Wednesday evening of last week the card party held at St. Mary's rectory sponsored by the Altar Society was an enjoyable affair. For bridge Mrs. Harold Rasmussen scored highest, Mrs. Henry Bousson highest for "500" and for pinocle Charles Wood won the prize.

Mrs. A. J. Joseph returned from Saginaw Saturday where she had been visiting friends for several days.

Carl Mickelson of Mason arrived in town Tuesday and together with Oscar Hanson and Charles Feltz left for Sunrise Club on the Ausable to hunt deer.

The Jolly Cousins Club met at the home of Mrs. Earl Mathewson Wednesday afternoon and started work on a layette. Mrs. Frank Severin will entertain the club next week.

Mr. and Mrs. James E. Fletcher and granddaughter Audrey Hewitt of Lansing, and Mr. and Mrs. Charles Hewitt and son Fletcher of Detroit arrived today to spend several days at the home of Mr. and Mrs. George Schaible at Lake Margrethe. The guests are here for their favorite sport, deer hunting.

Honoring Miss Dagmar Juhl who will become the bride of Mr. Floyd SanCartier today, Miss Martha Sorenson and Mrs. Milo Endricks were hostesses at a kitchen party given at the home of Mrs. George Schaible at Lake Margrethe. The guests are here for their favorite sport, deer hunting.

To celebrate Mr. and Mrs. Earl Mathewson's 7th wedding anniversary, Mrs. Belle Littlefield entertained them and their family and Mr. and Mrs. John Knecht at dinner Monday evening.

Quite decided contrast is experienced in weather conditions this month from that of November of last year. A year ago we were having real winter weather.

October 17th and on the first day of hunting the temperature was down to 5 above and the warmest 15 above. So far this year we have had a much higher average temperature, considerable rain and an occasional snow fall that was of short duration. Today, the beginning of the deer season, the ground is soft and the temperature hovers around 30 degrees at noon and 21 at night. Last year there was at least a foot of snow on the ground on the opening day of hunting.

In fact the weather last year was quite blizzardy and the temperature near zero.

Mrs. Ernest Hoesli entertained her bridge club Saturday at a party at her home. Mrs. Harold MacNeven held high score. R. R. Burns, Superintendent of Grayling schools, was given a leave of absence last spring for a period of six months, during which time Principal Gerald Poor took over the responsibilities of superintendent. Mr. Burns, a reserve officer, was called into service and given command of a CCC camp at Maunsligau. It was expected that he would be back on the work by November 1st, however he failed to arrive, therefore the school board declared the position of superintendent vacant and promoted Mr. Poor to the superintendency. Mr. Cornell, our popular coach, was given the principalship.

Mr. and Mrs. Burns, who are in good hands, with Mr. Poor and Mr. Cornell at the helm assisted by a splendid corps of teachers.

TODAY we're proudly displaying the 1958 GMC Money-Maker. And we think you'll find it the handsomest hustler you ever handled. An eager 200-horsepower swings a top load like a cargo of feathers. Turning ease is like power steering's. A fast-ratio cruising axle gives you an overdrive's road pace and gas savings. Foam-rubber seats cradle you in a roomy cab. Boulevard styling carries out the feeling of luxury. But this beauty is built like a pocket battleship. You'll see that in its massive spring hangers. In rear springs with the highest deflection rate of all light-duties. You can sit solidly on an unhooked end of its tail gate—and you can't crinkle the roof or door panels with a smack of your hand. You'll get the same quality instrument panel as on the big, \$10,000 GMC heavy-duties. A radiator mounted on a bulkhead integral with the frame. A steering column braced like a mast. These and more tell the inside story of GMC stamina. Come in and see for yourself. Why not do it today?

November 10th our church school was opened by the Zion's League. Their opening service was well done and impressive. The preaching service was led by David Babbitt, his theme, "Thus Saith the Lord." In the evening Mr. Newberry talked, using the parable of the sown seeds.

November 11th the League met at the church to plan to put the corn windows as a service program.

Wednesday evening is the regular prayer service.

Lake Margrethe Home Extension Club Meets

The Lake Margrethe Home Extension Group met Monday, Nov. 14th at the home of Mrs. Harold Clement. Plans were made for our annual Christmas dinner at Mrs. Jack Wade's, Dec. 2nd. A lesson on "Civil Defense" was given and discussed. A delicious lunch was served by the hostess, Mrs. Richard Lovely.

BRIDAL SHOWER HELD

Bride-elect, Jennette Miller, was the honored guest on Monday night, at a bridal shower, given by Mrs. Basil Miller and Mrs. Margaret Wainwright, mother and sister of Miss Miller. The fete was held for 27 guests at Cedar Dell Cabins, home of the groom-elect's mother, Mrs. Richard Adlen, Sr.

The tables were decorated with blue cloths and pale yellow candles with small vases of yellow jonquils on the tables, while the bride's table held an arrangement of the same flowers in an oblong centerpiece. Miss Miller wore a pale blue gown with a corsage of yellow mums to carry out the color scheme.

Games were played with Mrs. Carrie Tower, Mrs. Hazel Link, Mrs. Fred Baumgartner, Mrs. Lilian King, Mrs. Jessie Stewart, Mrs. Basil Miller, Miss Diane Stewart, Miss Odelyn Larson, Miss Jennette Miller, Miss June DeFoe, Miss Marilyn Voder winning prizes and Miss Odelyn Larson also winning the door prize.

After opening her many lovely and useful gifts the bride-elect was presented with a corsage made from her gift ribbons made by Mrs. Al Wojahn and Mrs. Annie Nelson.

A light luncheon was served to close the festivities.

Mr. and Mrs. Ed Sykes of Detroit were callers at the E. J. Birdsell home Thursday. About a year ago the Sykes were in a bad wreck and spent six months in Grayling Mercy hospital, and two more near Detroit. They expect to move to Higgins Lake in the spring.

Bay City Wedding Of Interest Here

The Rev. Fr. Daniel J. Wynne, of St. James church, Bay City, united in marriage, Saturday, November 10th, the former Miss Patricia Ellen Klug and Richard Terry Meldrum. The double ring ceremony took place before an altar of palms and she as the guest of Mr. and Mrs. Henry Janetzke.

The bride is the daughter of Mr. and Mrs. Erling Klug, of Linwood and parents of the bridegroom are Mr. and Mrs. Arnold Meldrum of Linwood.

Given in marriage by her father, the bride chose a gown of imported Chantilly lace and nylon tulle with long tapering wristpiece sleeves, and a fitted bodice of lace over satin complemented by a scalloped lace Sabrina neckline.

The full bouffant skirt composed of alternating tiers of lace and tulle formed a chapel sweep train. A bridal veil of silk illusion in fingertip length was secured to a hand blocked Juliet style cap of lace over satin. She carried an arrangement of pink vanda orchids.

Maid of honor was Miss Nancy Klug, and bridesmaid was Miss Colleen Meldrum. Bridesmatron was Mrs. Arlen Meldrum.

They chose gowns of turquoise nylon chiffon featuring molded bodices, scoop necklines piped in satin trim, and a Grecian styled midriff enhanced with a double

scroll design.

The full circular skirts of chiffon in waltz length were graced by flying panels at the back.

Tiaras of imported beading in open crown styling complemented by face veils completed their ensembles.

The maid of honor carried an arrangement of white snowdrift pompons and pink cymbidium orchids.

The other attendants carried arrangements of white snowdrift pompons around white cymbidium orchids.

Best man was Arlen Meldrum and groomsmen were William and Cletus Meldrum.

Attending from Grayling were the bride's grandmother, Mrs. Sena Wium, and great aunt, Mrs. Peter Madson.

The Lucky Ford ladies met at the home of Mrs. George B. Darroch Nov. 6th. Mrs. Fred Wilson gave the lesson "Duties of Officers-Aims and objects of members."

A written report on the Millersburg Rally was given by Mrs. George Worthey, who also showed slides of the windstorm damage done in this area last year. These films were used as a preliminary on our next lesson "Civil Defense" which follows at a later date. The leaders saw a narrative film strip of the Standale Tornado which emphasizes the need for preparedness training in any disaster. The group was pleased to have as their guest Miss Jane Venable Home Demonstration Agent from Kalkaska. The next meeting will be Thursday, Dec. 5th, 8:30 p. m. at Mrs. Max Exkardt's.

BASKETBALL RULE CHANGES

Northern Michigan coaches, officials and school administrators were informed of a number of basketball rules changes, which will affect the cage sport during the 1957-58 season at a rules discussion meeting at Petoskey high school Tuesday evening, November 5th.

David Arnold, assistant-director of interscholastic athletics conducted the meeting, which was attended by a record number of area officials and coaches.

One change that fans will readily note is the widening of the Free Throw lane to twelve feet and the three second restriction of a player of the offensive team being in this area; that is from the free throw line to the basket.

Last year a player who had possession of the ball before this rule was in effect, this year he is restrained when he or a member of his team has possession of the ball.

Last year's controversial rule restricting a throw-in from the free throw lane extended has been removed.

Hereafter no free throws are to be made from the free throw lane.

ed on ordinary fouls until after a team has committed its fourth personal foul in a half and then the one-and-one bonus rule will be in effect. This does not apply on double fouls, fouls committed against a player while in the act of shooting, multiple fouls or flagrant fouls however.

This year's rules also definitely places the responsibility for stall tactics and after a warning a team is to be charged with a technical foul.

It is recommended that school officials convey the interpretation of their rules to their student body and adult spectators by putting on well-planned eight to ten minute clinics at each of their first two home games.

Still a further change in awarding free throws will be evident to the spectator and that is that only one free throw will be awarded for a foul.

The 58 FORD is here now...

there's nothing newer in the world

There's bold, new styling—new Interceptor V-8 Power—now Cruise-O-Matic Drive—new Ford-Aire Suspension! The 58 Ford is the only car ever to meet a world-wide test and win world-wide approval before its public premiere!

You could search the world over and never find a car to match this 58 Ford's new beauty... new power... new ride... all at the low Ford price. We know! We tried it!

In Paris... the most style-conscious fashion critics in the world had a deep, low bow for Ford's latest style creation. In the mighty Himalayas, Ford's new Interceptor V-8 engine with Precision Fuel Induction won the day!

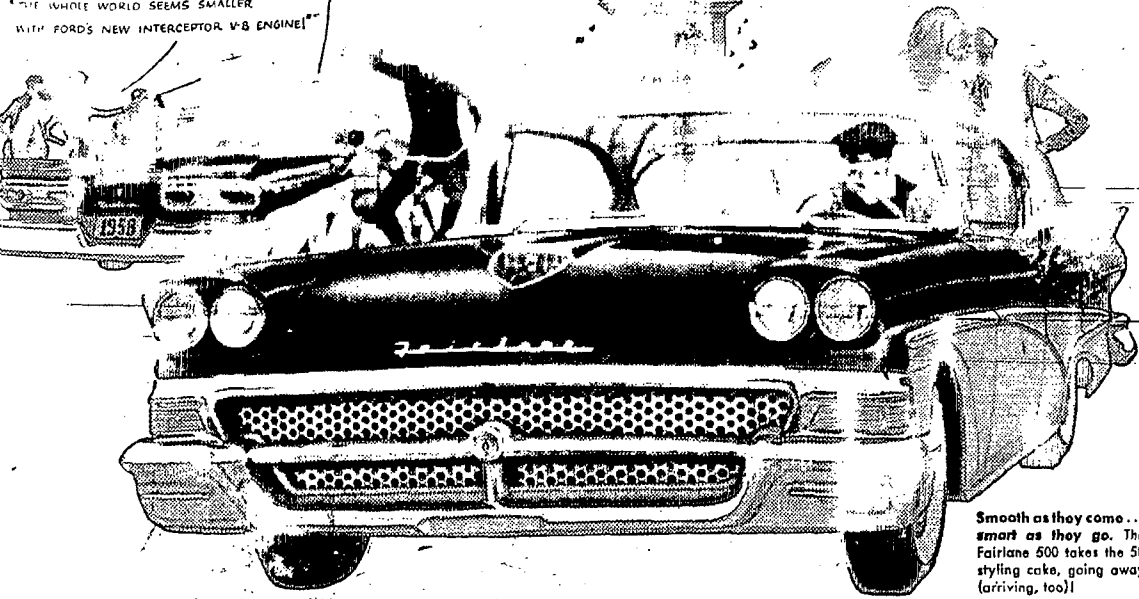

Then there's nothing newer than the true air ride of Ford-Aire Suspension. It's like riding on a cloud! But, you don't have to go to foreign soil to drive this newest Ford. We'll gladly save you the trip. Come in today!

From London to Bangkok... the whole world loved it!

The 58 Ford stopped traffic in Trafalgar Square when it passed through on its round-the-world trip. And that was typical of the excitement the Ford caused in Paris... Rome... Athens... Istanbul... Calcutta... and Bangkok. For this Ford was proved around the world in the toughest "stinkdown" cruise in history.

THERE'S NOTHING NEWER IN THE WORLD OF SEALS

WITH FORD'S NEW INTERCEPTOR V-8 ENGINE!

COME IN... SEE THE CAR THAT WAS PROVED AND APPROVED AROUND THE WORLD!
